DRB GROUP

Quality Policy Statement

t: 01244 280280
f: 01244 288367
e: email@drbgroup.co.uk
w: www.drbgroup.co.uk

The DRB Power Transmission Limited (trading as DRB Group) operate systems for Quality Management which provides objective evidence that our products and engineering services conform to the full specifications, contractual conditions and that our products are fit for their intended use.

DRB Group Quality System is designed to comply with the requirements of BS EN ISO 9001:2015

Board of Directors are committed to:

- Satisfying applicable requirements by ensuring that Customer and applicable statutory and regulatory requirements are determined and met.
- Continuous improvement by ensuring that any risks and opportunities that can affect the conformity and/or services provided are addressed and that the focus on customer satisfaction is maintained

Board of Directors Shall:

- Be accountable for the effectiveness of the Quality Management System
- Ensure that the Quality Policy & Objectives are established, maintained and reviewed at regular intervals to ensure adherence to the set objectives and that it is compatible with the company's Strategic Plan
- Promote through Managers the use of a Process approach and Risk based thinking.
- Ensure that the resource needed to maintain the QMS is available and that adequate training & support is available when required
- Communicate the importance of effective Quality management and the need to conform to the QMS
- Engage, direct and support staff to contribute to the effectiveness of the QMS
- Support other relevant management roles to demonstrate their leadership as it applies to their areas of responsibility
- Encourage the Establishment of partnerships with suppliers and other interested parties to provide an improved service

This policy will be communicated to all employees and where requested to organization's working for or on behalf of DRB Group. All are expected to co-operate and assist in the implementation of this policy whilst ensuring that their own work, so far as is reasonably practicable is carried out without risk to themselves, others or the environment.

Signed.....  Managing Director
